

## Access Procedure for Online Abstract

1. Access the online program login screen via the QR code.
2. Click on "Login".
3. Click on "Account Confirmation" in the upper right corner.
4. Enter your email address in the text box and Click on "Confirm Account →".
5. If "No corresponding account was found." is displayed below, click on "Register New Account →".

### Checking an account / Reset the password

**⚠ The account has not been found.**  
The email address you entered is not registered. Either proceed to the registration of a new account from the following link or try another email address.

[Registering a new account →](#)

First check if the account using the email address is registered. Enter your email address and click "Check account."

Login email address or email address to reset the password

✖ Mail address with no account registered.

← Back to Log in

⋮ If an account does exist

Then proceed to resetting the password. Reset the password in accordance with the instructions shown on the screen.

⋮ If no account exists

A message indicating that an account is not registered and a link to registering a new account are displayed on this screen. Proceed to the registration of a new

6. After entering your email address and PW, review the terms of use and data policy, check "I agree to the terms of use and data policy", and click "Send Email".
7. You will receive an email with the subject "Confit: Account Registration Confirmation" from "noreply.confite@atlas.jp" to the email address you entered. Check the Confit account registration code (6 digits) in the email, enter it in the account registration code field, and click "Register Account".

### Registering a new account

📧 An email was sent to tagami+xxx@atlas.jp.

⚠ Do not close this screen. Open another window to check the email.

An email was sent. Enter the six digit code shown in the email you have received.  
[Click here to register an account with other email address.](#)

Entering an account registration code  
Enter a six-digit number (e.g., 123456).

⋮ Flow of registering a new account

1. Enter an email address and a password. Click "Send email" to send an account registration code.
2. Enter the account registration code shown in the email you received and authenticate it by clicking "Register account."

When the code has been authenticated, the

Note: If you see a "Send PW Reset Code" screen instead of the above screen, click "← Return to Login" and proceed from step 9 onwards.

9. When "Register contact information for PW reset" is displayed, register either an email address or a mobile phone number. If you choose not to register, click "Skip".
10. Enter the email address and PW you set in step 6 in the login field and click "Login".
11. Enter the ID printed on your name card and click "Authenticate".

Note: Please be aware that this authentication code cannot be shared with other participants.

12. When the profile registration screen is displayed, click "Save Profile and View Conference Site" at the bottom of the page.

These steps complete the login process for the online program. After clicking "Save Profile and View Conference Site", the top page of the online program will be displayed, allowing you to view the abstract collection.
